A film by Michael Pack

STATE	CITY	OPENS
MA	Arlington	Now

Although Clarence Thomas remains a controversial figure, loved by some, reviled by others, few know much more than a few headlines and the recollections of his contentious confirmation battle with Anita Hill.

With unprecedented access, the producers interviewed Justice Clarence Thomas and his wife, Virginia, for over 30 hours. Justice Thomas tells his story, looking directly at the camera, speaking frankly to the audience. The documentary combines Justice Thomas' first-person account with a rich array of historical archive material, personal photos, and evocative recreations.
